Friday, October 11, 2024

0730-0800

Welcome and Course Introductions and Expectations (Faculty)

0800-0900

Pharmacology for Pain Management (Maye) (1 CEU/Pharm)

0900-1000

Anatomy of the Brachial Plexus (Maye) (1 CEU)

1000-1015

Break

1015-1115

Genicular Nerve Injections/Cryoablation - What to Inject
(Anatomy/Indications/Performance/Complications) (Kline) (1 CEU)

1115-1200

Lunch

1200-1300

Neuraxial Anatomy Review (Maye) (1 CEU)

1300-1400

Fluoroscopic Anatomy for Spinal Interventions (Barnhill) (1 CEU)

1400-1430

Break

1430-1500

Pectoralis and Serratus Plane Blocks - What to Inject
(Anatomy/Indications/Performance/Complications) (Kline) (.5 CEU)

1500-1600

Demonstration of Pectoralis and Serratus Plane Blocks Under Ultrasound (Lab) (Team) (1 CEU)

Saturday, October 12, 2024

0730-0800

Welcome and Breakfast

0800-0900

Multimodal Analgesia and Cryoablation Strategies (Pacira Speaker) (0 CEUs)

0900-1030

Clinical laboratory: Cryoablation/Standardized Patient Models/Cadaver Knees (Barnhill/Pearson/Pacira) (1.5 CEU)

1030-1045

Break

1045-1145

Basic C-Arm Positioning and Imaging for Success (Lab) (Team) (1 CEU)

1145-1230

Lunch

1230-1330

Course Lecture/Demonstration of Epidural Injections Performed Under Fluoroscopy (Lab) (Team) (1 CEU)

1330-1430

Course Lecture/Demonstration of Sacroiliac Joint Injections Performed Under Fluoroscopy (Barnhill/Pearson) (1 CEU)

1430-1500

Motor-Sparing Techniques for Suprascapular Nerve Injections/Cryoablation (Anatomy/Indications/Performance/Complications) (Kline) (.5 CEU)

1500-1600

Stellate Ganglion Injections and Ablations - What to Inject (Anatomy/Indications/Performance/Complications) (Pearson) (1 CEU)

1600-1615

Break

1615-1715

Demonstration of Stellate Ganglion Injections/Ablations Performed Under Ultrasound/Fluoroscopy (Lab) (Team) (1 CEU)

Sunday, October 13, 2024

0730-0800

Welcome and Breakfast

0800-0900

Anatomy of the Lumbar Plexus (Maye) (1 CEU)

0900-1100

Course Lecture/Demonstration with Radiofrequency Ablation of Vertebral Column at Lumbar Level (Barnhill/Pearson) (2 CEU)

1100-1130

Break and Lunch

1130-1200

Shoulder Injections - What to Inject
(Anatomy/Indications/Performance/Complications) (Barnhill) (.5 CEU)

1200-1300

Demonstration of Shoulder Injections performed Under Ultrasound/Fluoroscopy
(Lab) (Team) (1 CEU)

1300-1400

Billing and Optimizing Reimbursement with Q&A (Barnhill/Pearson) (1 CEU)

Limited Seats Available

19 CEUs and 1 Pharm CEU
